# ISLE OF WIGHT PERCUSSION DAY

A DAY TO INSPIRE YOUNG PERCUSSION PLAYERS...

- Master classes with world class orchestral players, including Simon Carrington and Michael Skinner
- Workshops including drum kit
- Performances to showcase a range of percussion

## Beginners or experienced players welcome

The event is being organised by friends and colleagues as a tribute to **Jack Richards** who was a percussion teacher for the Isle of Wight Music Service for many years and a founder member of the NAPT (National Association of Percussion Teachers). We hope that, since it is half term, the event will attract players not only from the Isle of Wight but further afield - the Island is easily accessible from London and is ideal for a short break!

Please contact **Helen Parry** for more information.
